The Letter of Intent

LLC «Mishel & Co» Company is engaged in realization of pet food and supplies and successfully operates on CIS market since 1993. During this time, we established distribution deals with wide variety of companies in Europe and Asia, most notably «Nestle Purina». Alongside that we partnered with the largest retail chains in Moscow and other Russian cities.

We have studied the proposal of the Kvantor platform and find prospects about the possibilities of related to the safe and convenient conduct of mutual settlements with counterparts with the help of using BlockChain based technology.

LLC «Mishel & Co» is interested in the development of this project and expresses its readiness to hold additional negotiations to discuss the form of cooperation.

Yours faithfully,
Buryachenko R.A.
